

# ***Looking Back***

## ***Looking back, I am so glad that...***

*I ignored those negative remarks that came my way  
I chose to eliminate doubts in my mind  
I turned stumbling blocks into stepping stones*

## ***Looking back, I am so glad that...***

*I made time even when I was very busy  
I put in a little more effort even when I was very tired  
I chose to go that extra mile always*

## ***Looking back, I am so glad that...***

*I chose to say "I can learn", instead of "I can't"  
I chose to make myself better in what I wanted to do  
I believed I could become excellent in what I did*

## ***Looking back, I am so glad that...***

*I pursued the route less travelled  
I chose to be the 20% instead of the 80%  
I did not quit!*

***It is a wonderful feeling up here at the TOP.***

***The best of all though is what I have become... as the result of the journey I have taken.***
